This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

The diagram is divided into two main sections by a dashed line. The top section, labeled '実線' (Solid Line) for 'スペースを確保する' (Space Assurance), shows a layout with five distinct, separated rectangular blocks. The bottom section, labeled '破線' (Dashed Line) for 'スペースを統合する' (Space Integration), shows a layout where the same five blocks are arranged to share space, with gaps between them being integrated into the overall flow. A legend on the left side of the diagram explains the two concepts:

- ☐ スペースを確保する (実線)
- ☐ スペースを統合する (破線)

This image shows a full page of blank, lined paper. It features approximately 20 evenly spaced horizontal grey lines across its entire width, providing a guide for handwriting or typing. The paper itself is a clean, off-white color.
